

# **Book Synopsis for Suzanne Blankenship**

## **50 Word**

A practical guide to eldercare, sprinkled with humor. Whether you're knee-deep in care now, or see it coming down the road, this book provides tools for an organized, prepared approach to eldercare for both you and your elders. Emergencies punctuate eldercare; Suzanne's award-winning book guides you through each one.

## **100 Word**

A practical guide to eldercare, infused with humor to lighten the load. Full of helpful tips, useful guidance and great resources covering the most vexing topics in eldercare – yet short enough to read in one night. It prepares you to deal with the emergencies that punctuate the elder years.

This award-winning book is perfect for anyone responsible for the care of an aging parent, in-law, or relative. Even if your elders are not in need of care yet, this book helps you plan and prepare so that, when they do need more from you, you can offer more care and less panic.

## **150 Word**

A practical guide to eldercare, infused with humor to lighten the load. Full of helpful tips, useful guidance and great resources – it prepares you to deal with the emergencies that punctuate the elder years.

It's perfect for anyone responsible for the care of an aging parent, in-law, or relative. Even if your parents or elders are not in need of care yet, this award-winning book helps you plan and prepare so that, when they do need more from you, you can offer more care and less panic.

Tools from the trenches, served with spot-on humor and a realistic perspective – you'll love reading the *How To Take Care of Old People Without Losing Your Marbles* and you'll return to it for guidance over and over as you face new and different dilemmas.

A must-read and a great resource – saving you time, money and marbles!
